ORDERING AND POLICIES

All food and beverage must be provided by Dome Catering. No food and beverages are to leave the suite post game.

FOOD AND BEVERAGE SERVICE POLICY

Each suite will have a member of our catering staff attending to your needs on event day. There will be a non-negotiable \$50 charge applied to orders over \$100. For any order under \$100 there will be a non-negotiable 20% charge applied to your order. These charges are to supply, maintain, and service your suite.

Members of our catering staff reserve the right to refuse service to any patron who appears intoxicated and request proof of age from any patron who appears to be under the age of 35.

When placing your beverage order, we suggest to only order what you will consume as you are charged upon delivery, not upon consumption. Additional beverages can be ordered during the event. No credits will be issued for unused product.

It is the responsibility of the suite holder or authorized representative to control consumption of alcoholic beverages in the suite when a member of our catering staff is not present.

Have a special request? Or looking for something personalized for birthdays/anniversaries happening on game day? Let us know and we will do our best to accommodate you.

Cancellations can be made up to 72 hours prior to event day without being charged for the items ordered. Any cancellations made within 72 hours may incur charges. Gratuities are not accepted by any Syracuse University employee.
